

Career Self-Assessment Sheet

You may wish to use the following template to record your responses to the career self-assessment questions. This will not only make it easier for you to capture your responses but also to share them with [Jill Klees](#), iSchool Career Center Liaison, should you wish to discuss your career questions further.

FUNCTIONS	
<p>What things do you most enjoy doing in a job? (examples: solving problems; writing; working with numbers, machines or data; analyzing documents; providing customer service; helping people)</p> <p>Do you prefer to work more with machines and technology or with people?</p> <p>What personal and/or professional activities do you truly enjoy?</p> <p>What classes and subjects have been your favorites, and why?</p> <p>Which work experiences have you most enjoyed, and why?</p>	

PEOPLE	
<p>Who would you like to be supporting?</p> <p>How do you want to interact with people?</p> <p>What kinds of people do you like to work with as colleagues, patrons, or clients? (examples: youth, children, students, working adults, seniors)</p> <p>Do you prefer to work mostly with people or mostly by yourself?</p>	

SETTING	
<p>Where do you see yourself working? Is it a quiet environment or a busy, hectic setting?</p> <p>Is the work always changing or predictable?</p> <p>Do you want a work setting that is academic, corporate, cultural, or community-focused?</p> <p>Do you prefer an environment that is high structured or more informal?</p> <p>Do you want or need the ability to work remotely?</p>
